# College of New Caledonia is Now Piloting Akindi!

Akindi is a Scantron alternative that is integrated directly into Moodle and allows you to print and scan multiple choice test sheets using any printer and scanner!

Scan test sheets anywhere, anytime and get results instantly

Easy to use product with fast and friendly customer support

Sync test results directly to your Moodle Gradebook (no CSVs, or manual entry).

Visit bit.ly/cnc-akindi to learn how to get started with Akindi!

"Akindi is Fantastic! It was straightforward to setup and use and it really saved time when it came to entering the grades. Rest assured I will be using Akindi again as often as I can!"
