CNC

COLLEGE OF NEW CALEDONIA | STUDENT VIEWBOOK

Acknowledgements

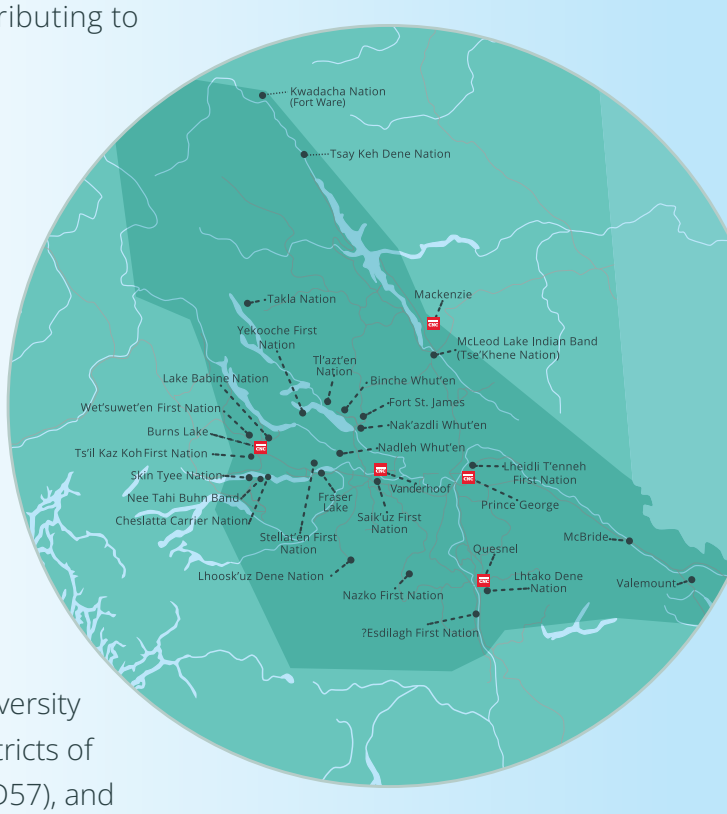

FIRST NATIONS TRADITIONAL TERRITORY

The College of New Caledonia is honoured to work with the Indigenous communities in this region, inclusive of the First Nations, Métis, and Inuit peoples. We acknowledge the graciousness of the First Nations peoples in welcoming those seeking knowledge on their traditional territories.

CNC'S INDIGENOUS PARTNERS

It is important to acknowledge the participation of all Indigenous groups who support the Aboriginal Advisory Committees and the Yinka Dene Council, contributing to the success of Indigenous Education at CNC:

- Carrier Sekani Tribal Council
- Métis Nation of BC
- PG Nechako Aboriginal Employment & Training Association
- Prince George Native Friendship Centre
- North Cariboo Aboriginal Family Program Society
- Cariboo Chilcotin Aboriginal Training Centre
- Quesnel Tillicum Society / Native Friendship Centre
- Indigenous representatives from the University of Northern British Columbia, School Districts of Nechako Lakes (SD91), Prince George (SD57), and Quesnel (SD28)

Quality Education

...in a place more learners can afford

By choosing to live in Prince George, you can save up to $10,265 a year compared to Vancouver.

CNC ADVANTAGE

*Estimated cost of living for a reference family of four according to Statistics Canada Market Basket Measure (MBM) thresholds.

...at a price more learners can afford

Offering the 2nd most affordable college education in BC, where you can save $357 per semester compared to other BC colleges.

CNC ADVANTAGE

CNC Campuses

BURNS LAKE

Also referred to as Lakes District, Burns Lake campus is surrounded by numerous lakes for swimming, kayaking, or fishing.

Mountain bike on over 90 kms of trails in the Boer Mountain Trail Network.

Take part in community events including the 2nd largest National Indigenous Peoples Day celebration in the province.

Hike popular trails including the Nourse Creek Trail and the Eveneshen Nature Trail.

Discover Tweedsmuir Provincial Park.

Drive the Ootsa-Francois Lake Circle Tour. This 308 km road trip allows you to delve into an area locally known as "the Southside".

Photo Credit - Northern BC Tourism / Shayd Johnson

MACKENZIE

Surrounded by mountains, lakes, and rivers, Mackenzie is a place where connecting to nature is as simple as walking out the front door.

Cross country ski the 30 kms of trails around Mackenzie.

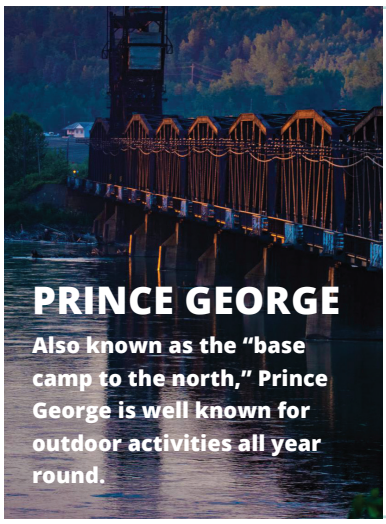

Hike popular trails including Bijoux Falls, Whiskers Point, and Tudyah Lake.

Swim, kayak, and fish on Williston Lake or McLeod Lake.

Snowmobile up Morfee Mountain to "touch the clouds" and take in amazing lake views.

Downhill ski at Powder King Mountain Resort, known for annual snowfall of 41 ft and incredible terrain.

Photo Credit - Northern BC Tourism/6ix Sigma Productions

PRINCE GEORGE

Also known as the "base camp to the north," Prince George is well known for outdoor activities all year round.

Mountain bike the Pidherny bike routes, and hike the intricate trail system of Forests for the World.

Downhill ski at Purden Mountain.

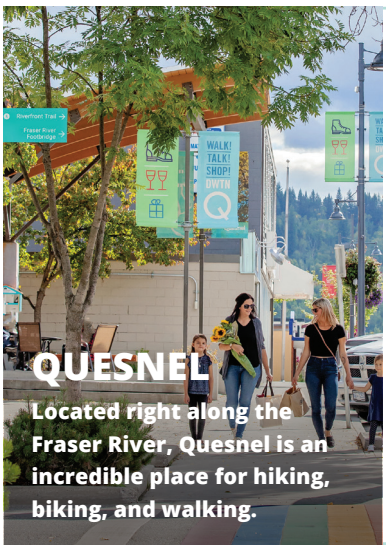

Cross country ski at Caledonia Nordic Ski Club, and ice skate at the outdoor ice oval.

Take part in local events such as the ColdSnap Music Festival, Summerfest, Winterfest, local Farmers' Market, and BCNE.

Discover local boutiques downtown and enjoy diverse dining at nearby restaurants.

Photo Credit - Northern BC Tourism / Kristopher Foot

Quality education in your field. Right in your backyard.

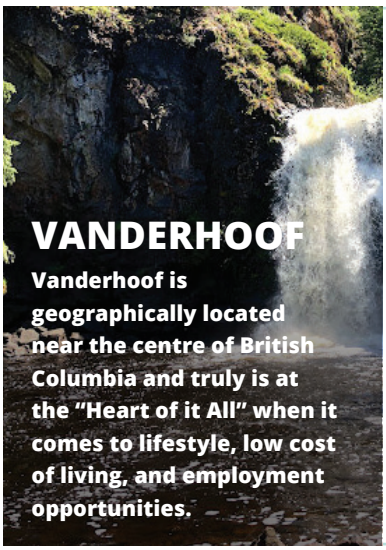

QUESNEL

Located right along the Fraser River, Quesnel is an incredible place for hiking, biking, and walking.

- **Visit** Barkerville Historic Town and the Cariboo Corn Maze.
- **Downhill ski** at Troll Ski Resort.
- **Hike and mountain bike** through many popular trail systems, including Dragon Mountain and Wonderland Trail.
- **Take part in local events** including Billy Barker Days, Festival of the Performing Arts, Quesnel Tillicum Society Memorial Pow Wow, and weekly Farmers' Markets.
- **Dine** at many local restaurants and enjoy the local brewery.

Photo Credit - City of Quesnel / Bonnie Grenon

VANDERHOOF

Vanderhoof is geographically located near the centre of British Columbia and truly is at the "Heart of it All" when it comes to lifestyle, low cost of living, and employment opportunities.

- **Take part in local events** including the BC Rodeo, Farmers' Markets, the Stoney Creek Elders Fishing Derby, and Concerts in the Park.
- **Hike and mountain bike** popular trail networks, including the Heritage Nature Trail, WL McLeod Wetland Trail, and Rip'n the North Bike Park.
- **Enjoy** the sauna at the Aquatic Centre, ice skating in the Vanderhoof Arena, and famous baked goods from Bakkerij Lobelle Bakery.
- **Tour** the Nechako White Sturgeon Conservation Centre and the Vanderhoof Community Museum.

Your Future Starts Here

Community & Belonging

With a welcoming campus community, you will build meaningful connections with your peers while receiving one-on-one support from instructors.

Student Supports

Caring employees, who are passionate about student success, provide you with the support you need to thrive in your educational journey.

Affordable Tuition

In addition to lower-than-average tuition compared to other BC colleges, you'll benefit from an affordable cost of living in the Cariboo Region.

Quality Education

Choose from a wide range of programs where experienced faculty not only know your name; they bring applied, experience-based learning into the classroom to support a high-quality education.

Pathways for Success

A strong academic foundation from CNC will prepare you for a successful transfer; whether you're continuing into your chosen program at CNC or transferring to a respected institution elsewhere in Canada.

92% of grads find a career after graduation

According to the 2025 BC Student Outcomes Report

Industrial Mechanic

Metal Fabrication

Pipe Trade

Power Engineering
3rd and 4th Class

Professional Cook

Welding

Highlights

Foundation to Apprentice

Begin at the foundation level and work your way up to apprenticeship, where you can earn your Red Seal certification.

168,300 Job Openings

Expected in trades, transport, and equipment operation by 2035 according to BC's Labour Market Outlook.

$72,166

Average annual salary for Welders and related machine operators, according to WorkBC.

> The Professional Cook program at CNC really sets the foundation before you step into your career as a chef. I never would have the job I have if I didn't come to CNC.
>
> **MARLAINA O'DONNELL**
> **PROFESSIONAL COOK GRADUATE**

Access & Upgrading

Open the door to new opportunities with Academic Upgrading, Access Program, and Job Education Training (JET).

- **Academic Upgrading** helps you complete high school prerequisites, prepare for college or university, or earn your BC Adult Graduation Diploma.
- The **Access Program** lets you take select college-level courses while completing your upgrading, helping you begin your program sooner.
- The **Job Education Training (JET)** program helps you explore career interests, develop essential skills, and apply your learning in a workplace setting.

Highlights

Flexible Delivery

Courses are available at all five CNC campuses, making it easy to learn wherever you are.

Tuition-free

BC Adult Education is tuition-free for Canadian citizens and permanent residents.

> With Academic Upgrading I've learned a bunch, both in and outside of the classroom. I've been able to get to know the instructors on a personal level.
>
> **KERRY THOMAS**
> **ACADEMIC UPGRADING**

High School Students

Fast Track your Education and Start College Early.

Dual Credit

GET A HEAD START ON COLLEGE WHILE YOU'RE STILL IN HIGH SCHOOL

Dual Credit programs give grade 11 and 12 students the chance to explore college early, while earning both high school and post-secondary credits.

LEARN MORE
cnc.bc.ca/dualcredit

WHY SHOULD I TAKE DUAL CREDIT?

- **Save money** – Your tuition is covered by your school district.
- **Double the credit** – Courses count toward both high school and college.
- **Start college strong** – Begin with credits already earned and a lighter course load.
- **Build confidence** – Experience real college classes and discover what's possible.
- **Transfer easily** – Credits can be transferred to other colleges or universities.

HOW TO APPLY FOR DUAL CREDIT?

1. Explore available courses
2. Complete the application package
3. Submit your application to your high school counsellor

Dual Credit Application Package

TekX: Technology Exploration

Offered in partnership with UNBC and available to grade 11 and 12 students from School District 57 or Cedars Christian School, TekX lets you dive into the exciting world of technology.

Indigenous Students

Each CNC campus is committed to creating safe, inclusive spaces where Indigenous students feel welcomed, supported, and connected. Through strong community partnerships and an open-door approach, we work closely with local Indigenous communities and organizations to support student success and foster a strong sense of belonging on campus.

- Connect with Elders and Knowledge Keepers from various Nations for cultural support and guidance.
- Take part in sacred Smudging Ceremonies.
- Join Talking Circles to share, reflect, and build community.
- Participate in hands-on cultural workshops, including beading, drum-making, dreamcatcher crafting, and more.
- Find a quiet space to study, relax, or connect with peers.
- Receive personalized assistance in accessing different CNC student services.
- Receive support for band sponsorship funding.

Admission Requirements

General Admission Requirements

Applicants must meet one of the following General Admission criteria for admissions to most programs, as follows:

- Completion of a British Columbia secondary school program, including a B.C. Certificate of Graduation (Dogwood Diploma), Adult Graduation Diploma, School of Completion ("Evergreen") Certificate, or comparable secondary credential from another province or country;
- One course short of British Columbia secondary completion, or equivalent;
- Eighteen (18) years of age or older on the first day of the first semester of attendance and has not been enrolled at a school for a minimum of one year;
- Visiting student with a valid Letter of Permission.

Many programs will have recommended courses in addition to these requirements. To learn more about recommended courses for your program of choice, visit the program webpage.

Get started at **cnc.bc.ca/programs-courses**.

Standard Admission Requirements

Applicants must meet the General Admission Requirements (listed above) as well as an English Language Proficiency (ELP) requirement. Applicants who do not meet the ELP requirement can be admitted to programs with General Admission Requirements.

English Language Proficiency

Scan QR code below to view the English Language Proficiency requirements.
